Tuning Standard

D
I'm a simple man, I lead a simple life
Em G A D
Wanna keep it simple, 'til the day I die
D
Got no plans, no trouble on my mind
Em G A D
I know what I want, I know what I like
Em G D
Need a lover, don't need a friend
Em G D
No complications, I'll say it again
G A D
Just want a woman that wants a man
G A D
Just want a woman that wants a man

instrumental over verse

I ain't a hero, ain't rich as a king
I ain't gonna buy you a diamond ring
Some simple love, is what I have to give
A simple window to the life I live
refrain

instrumental over verse

I'd love to hold you, get to know who you are
Take a walk with you, slowly, sleep out under the stars
Wake up in the morning, with you in my arms
Holding you close, talking heart to heart
refrain

instrumental over verse

What about you, what's on your mind?
Is it enough to be gentle, is it enough to be kind?
Do you want more, do you want love to stay?
That may be alright, but it just ain't my way
refrain, repeat last line, slowing down
