You know I like my bread and butter  
Like meat and potatoes too  
But sometimes it ain't enough  
Gotta feed that old sweet tooth

(But) I want a sweet roll, babe, served up nice and hot

I want a sweet roll now mama, Roll me like you'll never stop

*instrumental*

I like my tea with whiskey  
I drink my coffee black  
My Jim Beam served up neat  
And nothing in my Jack

**refrain**

*instrumental*

Plain oatmeal for breakfast  
Or simple cream of wheat  
Basic eggs and toast  
You know they're all good to eat

**refrain**

*instrumental*

Always come home to my baby  
After workin' every day  
You know I do my duty  
But sometimes I want to play

**refrain**

*end: slow down on last words and finish with walkdown*
