You're so beautiful it hurts, babe, you make my knees go weak  
**Gm** **Dm**  
You're so beautiful it hurts, babe, you make my knees go weak  
**Am** **Am Abm Gm** **Dm**  
Whenever you're around me, you know I can hardly speak  
*sharp stops; instrumental*

The way you swing those hips, babe, it puts me under a spell x2  
When I watch you walking away, I'm in a living hell  
*sharp stops; instrumental*

You don't even know me, babe, you don't know I'm around x2  
That's what leaves me tossing and burning, every night when the sun goes down  
*sharp stops; instrumental*

Can't you stop this hurting, babe, can't you just look my way x2  
It'll only take one word. That's all you got to say  
*sharp stops; instrumental*

You won't be sorry, if you open your door and let me in  
End this painful burning. Take me as a lover and a friend  
*end on last verse, slowing down toward end*
