A warm rain shower at the end of May

A blanket of fog on a hot summer night

You soothe my soul and set things right

**Dm**

Ooh ease on back into the water (4x)

A jackknife dive into cool clear depths

The warm surprise of a sudden kiss

A mountain stream flowing over sand

You wash me clean with your gentle hand

**F**

**G**

**Dm**

Ooh ease on back into the water (4x)

*instrumental over 3 verse lines and refrain, twice*

My soul is drenched in your embrace

I feel hot tears streaming down my face

Nothing could be better than to be right here

Floating side-by-side with you my dear

**Dm**

Ooh ease on back into the water (4x)
